FAD 728 NOTES - FY 1989 APPROPRIATIONS

NOTE: House Floor action on the Military Construction Bill included the following floor amendments to the House Report No. 100-620 position (this is the change from that position, not the change from the request):

	<u>Appropriation</u>	<u>Item</u>	<u>\$ in Millions</u>
5/18	(Richardson)	Mil Constr, Army National Guard Armory, Clovis, NM	+ .100
		TOTAL - HOUSE FLOOR ACTION	+ .100

NOTE: Totals in this report do not include an Advance Appropriation for FY 1989 in the amount of \$214.0 million for Fort Drum, New York (in the Military Construction, Army appropriation). This amount was appropriated in the FY 1987 Appropriations Act, P. L. 99-500.

NOTE: The HAC Report No. 100-681, SAC Report No. 100-402 and the Appropriation Conference Report No. 100-1002 for the DoD Bill reduced the Request for Operation & Maintenance, Defense Agencies by \$15.1 million for INF Verification by FBI and transferred that amount to the Commerce, State, Justice and the Judiciary Bill. However, since this amount was in the DoD Request, the reduction is shown in the HAC, SAC and Appropriation Conference columns in this report.

NOTE: The HAC Report No. 100-681 includes a new account in the Procurement title "Space and Related Activities Augmentation, Defense, in the amount of \$637.0 million. This was not included in the Appropriation Conference.

NOTE: The Chemical Agents and Munitions Destruction, Defense account is in a separate title in the HAC Report No. 100-681, SAC Report No. 100-402 and the Appropriation Conference Report. However in this report, it is currently located in the Procurement Title, where it was requested in the budget.

NOTE: The Foreign Currency Fluctuation, Def appropriation is added in the Revolving & Management Funds title in the HAC Report No. 100-681. However, in this report it is currently located in the Operation & Maintenance title. The Appropriation Conference did not recommend new appropriations for this account.

UNCLASSIFIED

SECURITY CLASSIFICATION OF THIS PAGE (When Data Entered)

FAD 728 NOTES - FY 1989 APPROPRIATIONS (CONTINUED)

NOTE:

Aviation Continuation Pay (requested in Contingencies in the amount of \$54.0 million) has been added by HAC Report No. 100-681 to Military Personnel, Navy (\$34.0 million) and Military Personnel, Air Force (\$54.0 million). The SAC Report No. 100-402 added \$30.0 million to Military Personnel, Air Force. Therefore, the Non-Action section (for Contingencies) of this report reflects \$-54.0 million in the HAC and SAC columns. The Conferees appropriated \$36.2 million in Military Personnel, Air Force and directed absorption by the Navy.

NOTE:

Senate Floor action on the Military Construction Bill included the following floor amendments to the Senate Report No. 100-380 position (this is the change from that position, not the change from the request):

	<u>Appropriation</u>	<u>Item</u>	<u>\$ in Millions</u>
6/15	Military Construction, Air Force	US Tnsp Cmd HQ Bldg, Scott AFB, IL	+ 12.800
6/15	Military Construction, Navy	Basing TACAMO Acft, Tinker AFB, OK	+ 38.080
		TOTAL - SENATE FLOOR ACTION	+ 50.880

NOTE:

The SAC Report No. 100-402 and the Appropriation Conference Report No. 100-1002 added two new accounts in Title VII - Related Agencies. As these accounts reflect DoD amounts, the two new accounts have been included in this report in the "Other" title as follows (\$ in millions):

Drug Interdiction, Defense	SAC	Appn Conf
Special Operations Forces Fund	+ 199.060	+ 300.000
	+ 868.500	+ 286.000

* Includes a \$90 million transfer from PY funds in Aircraft Procurement, Navy 87/89

NOTE:

The SAC Report No. 100-402 in the General Provisions added the recommendation for \$441.0 million in new appropriations in addition to amounts otherwise made available in the report to the DDG-51 in the SCN appropriation. This amount is included in the totals of this report. The Appropriation Conference similarly added \$438.8 million. The General Provisions also included transfers of prior year funds to the DDG-51 in the amount of \$269.0 million for the SAC and \$349.2 million for the Appropriation Conference. In this report the SCN TOA is increased by \$269.0 and \$349.2 and then the account is decreased by the same amount in transfer lines, so there is no increase to the Budget Authority Total (which reflects new appropriations).

<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
-------------------------------------	--------------------------	--------------------------	--------------------------

FAD 728 NOTES - FY 1989 APPROPRIATIONS (CONTINUED)

NOTE: The SAC Report No. 100-402 and the Appropriation Conference Report No. 100-1002 in the General Provisions recommend a reduction of \$30.0 million for contractor travel in the R&D and Procurement accounts to be allocated by the Secretary of Defense. As the reduction is not specific at this time as to account, this reduction is not included in totals in this report.

NOTE: The SAC Report No. 100-402 recommended transfers to NASA as follows (not reflected in this report):

From:	RDT&E, Air Force	\$200 million
From:	RDT&E, Defense Agencies	\$400 million

This was amended in floor action on August 10, 1988 to transfer only \$100 million to NASA:

From:	RDT&E, Defense Agencies	\$100 million
-------	-------------------------	---------------

The Appropriation Conference recommends the transfer at \$100 million.

NOTE: The SAC Report No. 100-402 recommended in the RDT&E, Defense Agency language, the transfer of \$114.9 million from SDI to the Army (not reflected in this report).

NOTE: The HAC Report No. 100-620 for the Military Construction Bill recommended a rescission of \$29.548 million from the Military Construction, Defense Agencies 1988/1992 appropriation. The SAC Report No. 100-380 for MilCon does not agree with the rescission, but recommended that \$10 million of previously appropriated funds be used as a reprogramming resource for NSA and that the remaining amounts be transferred to the RDT&E, Air Force 1988/1989 appropriation. The Appropriation Conference Report No. 100-921 recommended that \$19.548 million be rescinded and that \$10.0 million be used as a reprogramming resource. These recommendations are not reflected in this report.

NOTE: The HAC Report No. 100-679 for Treasury, Postal and General Government added \$18 million to the DoD National Defense Stockpile Transaction Fund. The related SAC Report No. 100-387 added \$27 million. Conference Report No. 100-881 set the level at \$30 million. These increases are reflected in a separate section "Other Legislation" in this report.

NOTE: The Conference Report No. 100-921 for the MilCon Bill contained \$50.3 million for Coast Guard Shore Facilities. This account is not a DoD account and is not included in this report.

FAD 728 NOTES - FY 1989 APPROPRIATIONS (CONTINUED)

NOTE: Senate Floor action on the DoD Bill included the following floor amendments to the Senate Report No. 100-402 position (this is the change from that position, not the change from the request):

	<u>Appropriation</u>	<u>Item</u>	<u>\$ in Millions</u>
8/10	(Byrd)	Proc of Ammunition, Army	
8/10	(Byrd)	Proc of Ammunition, Army	+ 29.105

		TOTAL - SENATE FLOOR ACTION	-0-

NOTE: A Pryor amendment to the SAC (August 8, 1988) provided for a reduction of 15% to Consultant Services, in the amount of \$420 million savings. A Stevens amendment to the Pryor amendment directed that these funds be used as a source to fund the civilian pay raise. The Appropriation Conference specified a reduction of \$150 million to amounts in the Act, with specific accounts to be determined by the Secretary of Defense. (This is not reflected in this report as accounts and specific amounts are not yet identified.)

NOTE: A Byrd amendment to the SAC (August 10, 1988) provided for transfers of \$27.140 million for humanitarian assistance to the Nicaraguan Resistance, \$5.0 million for medical assistance to civilian victims, and \$4 million to AID for administration costs, from DoD unobligated funds in FY 1986, FY 1987, and FY 1988 Appropriations Acts. The Appropriation Conference also recommended these transfers plus the following transfers: \$10 million for relocation and reintegration costs; \$5 million to Department of State for transportation costs; and \$20 million to Department of State for the indemnification of leased aircraft. These prior year transfers are not reflected in this report.

FAD 728 NOTES - FY 1989 APPROPRIATIONS (CONTINUED)

NOTE: The General Provisions of the Appropriation Conference further reduced Military Personnel accounts by \$150 million, to be absorbed for pay raises. As specific accounts were not identified, this reduction is not reflected in totals in this report.

NOTE: The Appropriation Conference Report No. 100-1002 capped Variable Housing Allowance payments for FY 1989 at \$1.220 billion.

NOTE: The language of the Appropriation Conference provides for a \$3.5 million grant to the South Carolina Research Authority in the National Defense Stockpile Transaction Fund to construct and equip a strategic materials research facility. The funds are appropriated to RDT&E, Defense Agencies and are not included in National Defense Stockpile Transaction Fund totals in this report. (See list below)

NOTE: The SAC Report No. 100-402 and the Appropriation Conference Report No. 100-1002 in the General Provisions recommend a transfer of \$5.5 million to the Bureau of Land Management. That transfer is not reflected in the totals in this report. (See list below)

NOTE: The SAC Report No. 100-402 and the Appropriation Conference Report No. 100-1002 in the General Provisions include transfers affecting FY 1985, FY 1986 and FY 1987 funds, which are not reflected in this report. Also not included in this report is a SAC recommendation in the General Provisions to rescind \$47.9 million in RDT&E, Air Force 1987/89. The Appropriation Conference deleted the SAC provision on this rescission.

NOTE: Summary of transfers of FY 1989 funds which are included in the Appropriation Conference Report No. 100-1002, however, these transfers out are not reflected in totals in this report: (\$ millions)

From: O&M, Navy	To: Coast Guard	60.0
From: To be determined	To: Bureau of Land Management	5.5
From: RDT&E, Def Agencies	To: NASA	100.0
From: RDT&E, Def Agencies	To: NASA - ALS	96.5
In: RDT&E, Def Agencies	For: Nat'l Def Stockpile Trans Fund	3.5
